

New Hope for the Wretched & Reason for Fools to Flee and Villains to Fear

1. **The first law in life is that “there are no rules”:** “It is eat or be eaten”—do as you please and suffer the consequences. This is the ‘**Law of Nature**’ which too many folks mistake for *karma, chance, manifest destiny...*
2. There is *an exception* to ‘First Law’—a difference between the “*letter of the law*” and the “*spirit of the law*.” This is the unwritten/unspoken ‘**Law of Love**’—as a *mother’s love* outweighs the ‘*will to power*’ of the *father*’.
3. Remember and never forget “**The Golden Rule of One**”: “Whom-so-ever hath the gold maketh the rules.” Note: This is not the **Divine Right of the King** (as in the deliberation of virgins is concerned; *i.e.*, “*the tearing of the veil in the temple*”).
4. That “**rules are meant to be broken**” is proven by those in power over ‘us’ which make-up the rules whilst the game is yet in play: This is the ‘**Law of Change**’—and its meaning is simple: “To the victor go the spoils... especially as concern the record of history and the Tavistock propagandizing of we ‘**goyim chattel**’ (‘*slavish cattle*’).”
5. The “**rules change**” from time-to-time and place-to-place and are “**nowhere the same**” as everywhere people, language, and customs differ—this is not to be mistaken for the **Law of Change**—*supra*: (e.g., “*some pigs are more equal...*”).
6. **Do not play by the rules—it’s a dog-eat-dog world and no one gets out alive.**
7. **On the Natural Laws of Existence:** The draconian law of ‘fight or fuck’ or “freeze or flee” is the one rule which cannot be broken... as it is base instinct (examples follow):
 - i) The gravity of the magnetic ‘**laws of attraction**’ naturally proves that not only does ‘like attract like’—as dogs don’t mate with cats—so, *too*, do ‘**opposites repulse one another**.’
 - ii) The natural law of “**survival of the fittest**” necessitates that it’s always ‘eat or be eaten’ and never truly ‘forgive and forget’!”
 - iii) **Lex talonis:** “Eye for an eye, tooth for tooth”—**retributive justice**—is the oldest form of “*as above, so below*” law and the foundation of all ‘true’ jurisprudence.
 - iv) The **common law** of “**do unto others**,” which is thought to be the “*turn-cheek law of the land*” (“*à la façon du pays*”) is moot *insomuch* as concerns the “**fabled five monkeys**.”
 - v) Horse sense or common sense transcends the written law as oft as not (examples follow):
 - a) **The truth is a lie** which **R.C. Christian** has not yet told us differently.
 - b) **The lie is widely known for what it is...** but is *nevertheless* apologetically excused and passed off as truth by our *Udug-worshipping masters* (as fluoride, 440 Hz, HAARP, chemtrails, 5G, *etc...*).
 - c) **No one is “born free” as our world wherein we all die is a prison *viz.* “a mass grave.”**
 - d) **The “enemy of my enemy” is not always an ally** (cf., the “*Battle at Kruger*”).
8. Despite fools believing that “**fair justice will be found in a court of law before the Crown**,” villains ‘be aware’ **Iustitia** canst not only discern what is true from the lie but she is a dumb bitch and knoweth not right from wrong—and this is **the most important law and greatest truth** “without which ‘we live as the animals’.”

Mourning of the Rope

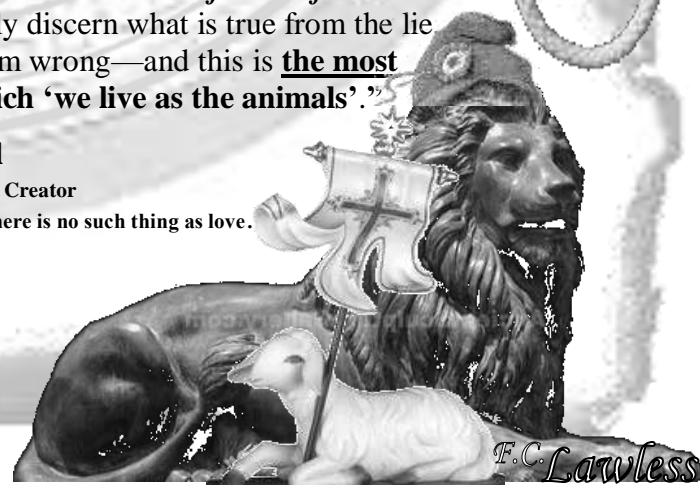

Night of the Torch

Repent & Rebel

CruXader Church of Christ the Creator

Those who forget are destined to remember... that there is no such thing as love.

F.C. Lawless

New Hope for the Wretched

We are invisible and we are all around you!

If you run, we will pursue; if you hide, we will seek and find you, if you fight back, we will punish you and yours; if you don't fight... you will be our slave; and, as you die, we rejoice...

The people of the future will be a mongrelized slave society.

The diversity of the White races and middle class will gradually disappear owing to a vanishing of space, time, and kiklysh prejudice.

The ^{Unter Mensch} Asian Negroid "Stargate" subhuman race of the future will replace the diversity of peoples with a 'legion' of homo-clone-swine.

Instead of our puppets Hitler, Mussolini and Franco destroying Jewry, the Yalta pimps FDR, Churchill, and Stalin whored Europa to us... and we commie money-changers and tax-collectors raped her and so spawned us our fiat-nation through the collectivization process.

You wonder why we Learned Elders created our false Ghetto!?

How elsewise could we quash you dead scum fucks to develope our Satanic Order?
Twas how we forged a "hell on earth" for youse and yine.

Know this: We God-damn Jesuit-Papists be (((cruel masters)))... and the gulag world is a mass grave for ye kine.

As Mao Zedong, Kim Il-Song and Pol Pot used the young student-worker peasant Red Guards and turned them foolish children against those who bore and nurtured them; so too, since the "Summer of Love," have we set your youth against you;

thus, they hate their forefathers and shame their ancestors to embrace a Third World 'one-world' slum.
We control all "newspeak" and have subliniated your kids to believe our MK Monarch lies.

It was we who seeded the Black African slaves in America... but it is you who they are told to blame!

3 **Blood & Honour** **6**

We married into Europe's dilapidated feudal aristocracy, as Abram seduced Nimrod and Jacob fooled Laban, and as Pharaoh and Caesar were made our bitches for ever... made we you subservient for ever!

Dare any try to stop us... we "reptiles" shall answer with the "Samson Option": If we cannot rule all... we will destroy all.

You are our "goyim" and we will use and misuse and abuse you as we see fit.

You have followed the Judas-goat we gave you... and it has led you sheople into our abbatoir.

If you live it is because we allow you to do so... and whence you perish it is because we desired it be so.

You think you're born free... but you are our slaves from birth.

We are cordyceptic Nosferatu and you worthless eaters are our hive-mind "blood bags."
Say and do and think as you are told, villein scat...

and if you speak or act otherwise, we'll make you regret being born.

stop the hate!

à bas la haine!

10/7

And I stood upon the sand of the sea,
and saw a beast rise up out of the sea,
having seven heads and ten horns,
and upon its horns ten crowns,
and upon its heads the name of blasphemy.
